Renown v0.4.9.1 — the Skirmish sequence & rolls

THE SKIRMISH

- 1
- Form the Line**
Up to 10 front line (1 Strike die each) + up to 5 reserve. Refill between Skirmishes.
- 2
- Choose Tactics**
Both pick a Tactic in secret, reveal together. Fall Back can't be chosen in Skirmish 1. (See Tactic Matrix.)
- 3
- Declare Equipment**
Attacker declares first; Defender responds.
- 4
- Initiative**
Range −2 to +2 (Ministry: +3). Higher Strikes first. At −2— you Blunder (Strike only on natural 6).
- 5
- Roll to Strike**
D6 per front-line retinue ≥ to-Strike: Levy 4+, Man-at-Arms 3+, Sergeant 2+, KT 3+. Natural 6 → Cleave / Deadly / Destroy Shield.
- 6
- Strike & Defend**
Per Strike, defender resolves in order: Parry → Save → Recover. Unsaved = casualty (leaves field at once).
- 7
- Panic Check**
If a side took 5+ casualties this Skirmish, before it Strikes back: roll Morale (≤5 dice). Immune Panic auto-passes. 7+ → Rout.
- 8
- Strike Back**
The other side Strikes the same way, if able.
- 9
- Lose Endurance**
Each side that fought: −1 Endurance. At 0 Endurance → Fatigued.
- 10
- Break Check**
Each Fatigued field, before its token: roll Morale (≤5 dice). Unbreakable auto-passes. Never triggers Panic. 7+ → Rout.
- 11
- Fatigue Token**
Each Fatigued side gains a token: −1 to Strike, Parry, Recover, Morale (rolls cap 6+; Morale uncapped). Tokens stack.
- 12
- End the Skirmish**
Battle ends if a side is wiped, Routs (Morale 7+), or Falls Back. Else refill and repeat.

Defense Sequence (per Strike)

Step	Roll
1 Parry	While not Fatigued, roll a d6 to save a Strike before the Save on a 5+.
2 Save	D6 + weapon AP + shield bonus ≥ armor value.
3 Recover	While not Fatigued, if a to-Save roll fails, roll a d6: a result of X+ saves the retinue.

On a Natural 6

Keyword	Effect
Deadly	On a Focused Strike: increase AP by -5, and the defender may Parry or Recover only with a Focused roll.
Cleave	On a Focused Strike: roll one extra Strike die at your modified to-Strike.
Destroy Shield	On a Focused Strike: the target loses its Shield attributes for the rest of the Battle.
Poison	When the Defender receives a Strike and rolls a Focused Save, it fails; the resulting wound may only be Recovered with a Focused Recover.
Riposte	While not Fatigued, if you roll a natural 6 on a Parry against a Melee Weapon's Strike, you Riposte: your opponent immediately takes a Strike from your equipped weapon. You can Riposte a Riposte.
Tempered	A Focused Save succeeds regardless of AP.

Standing Combat Effects

Standing	Effect
Prowess Established	Parry
Piety Established	+1 Morale
Cunning Established	Foes gain Blunder in first Skirmish
Cunning Sovereign	Foes gain Strain

The 6+ Ceiling

Rule	Effect
Blunder (Init −2 or lower)	Your to-Strike is set to 6+ (hit only on a natural 6), before other negative modifiers.
Capped at 6+	Fatigue −1 to to-Strike, Parry, and Recover; Tempered keeps the Save at 6+ vs any AP. A natural 6 always has a chance.
Pushes past 6+ → 7+ (auto-miss)	Shield −1 to Strike (Scutum/Tower/Heater) and enemy tactic to-Strike penalties apply AFTER the cap — they can raise the target to 7+.
Uncapped → Rout	Fatigue's −1 to Morale is NOT capped. At modified Morale 7+ the army Routs.

Keywords

- 2H** Cannot use a Shield.
- Blunder** At Initiative -2 or lower, your to-Strike is set to 6+, before other negative modifiers.
- Cleave** On a Focused Strike: roll one extra Strike die at your modified to-Strike.
- Deadly** On a Focused Strike: increase AP by -5, and the defender may Parry or Recover only with a Focused roll.
- Destroy Shield** On a Focused Strike: the target loses its Shield attributes for the rest of the Battle.
- Drilled** Does not lose Endurance in the first Skirmish of each Battle.
- Fatigue Token** Each token is -1 to your Strike to a maximum of 6+; and Morale -1 (uncapped). If your modified Morale is ever 7+, your army Routs. Tokens stack.
- Florentine** Only active while Dual Wielding. Grants Parry, and your Parry is never disabled by Fatigue: penalties (Unstoppable, Deflect, Fatigue) can raise it to 6+ but it never switches off. This keeps only the Parry — it does NOT restore Riposte: while Fatigued, a natural 6 still cancels the Strike but never counter-Strikes.
- Negate Riposte** The target's Parry can never Riposte this weapon's Strikes (a natural 6 Parry still cancels the Strike, but no counter-Strike follows).
- Negate Tempered** Ignores Tempered: this weapon's AP can reduce the target's Save past 6+ (to auto-fail), defeating the Tempered floor.
- Nimble** Gain +1 Initiative in the first Skirmish of each Battle.
