

PROWESS

Domain Actions

MOVE

Choose an Army you Control; move it up to its Move Range. Then choose: **March** (move again, -1 Endurance, no Skirmish/Lay Siege/Muster this turn), **Skirmish** (Battle adjacent non-allied Army outside a Settlement), **Lay Siege** (begin Siege on adjacent Settlement at War), or **Muster** (Range 3 of a Settlement you Control, with active Muster Field).

DECLARE WAR

Requires Rising Prowess. Choose a non-Allied Player without a NAP or Truce Timer. Both Players are now **At War**. Trade Agreements between you immediately end. Defensive Allies of target are also at war; Military Allies must Declare War next turn.

DEMAND TRIBUTE

Choose a non-Allied Player without a NAP. Negotiate: if **Agree**, sign NAP or Alliance. If **Refuse** or **Fail to Fulfill Terms**, immediately **Declare War**.

CONDEMN: Player with highest Cunning targets an Army you Control; it gains **Blocked + Doubt 1**

ENDORSE: Perform **Move** Action

CUNNING

Domain Actions

INTERCEPT CARAVAN

Cost **2000 gold**. Choose another Player. The next turn that Player is Host, **Extort** their Trade Income.

FOSTER REBELLION

Cost **2000 gold**. Choose another Player. At the next Bandit Mechanics Phase, place a **Bandit Camp** with 10 Retinues in that Player's Outlaw Country.

RAZE

Cost **2000 gold**. Choose another Player's Settlement. Select one Active Specialization or Active Infrastructure — it becomes **Damaged**. Innate and Mastery effects inactive until Repaired.

DESTABILIZE

Cost **2000 gold**. Choose another Player. **Extort** their Tax Income at the beginning of next turn.

CONDEMN: Doubt 1 + Pay Cost

ENDORSE: Extort 2000

PIETY

Domain Actions

SPREAD GOSPEL

Cost **Doubt 1**. All non-Allied Players gain **Doubt 1**. All Allied Players gain **Faith 1**.

SEND MISSIONARIES

Cost **Doubt 1**. Choose a target Player or Alliance. **Outside your Alliance:** all members gain **Doubt 2**. **Inside your Alliance:** all other Allied Players gain **Faith 2**.

TITHE

Cost **Doubt 1**. Choose another Player. **Extort 10%** of their Treasury (rounded down to nearest 100).

CONVERT

Cost **Doubt 1**. Choose another Player's closest non-Capital Settlement whose owner has Public Order -5 or lower. Perform a **Lay Siege** using only Settlement-type modifiers; set a **Convert Timer**. On 0: Settlement joins your Empire. Fails if target's PO rises to 1+.

CRUSADE

Cost **Doubt 1**. **Requires Sovereign Piety.** Declare War on a target who is not Ally, NAP, or under Truce. Then **Perform a Move action**.

CONDEMN: Doubt 1 + Pay Cost

ENDORSE: Gain **Faith 1**

INDUSTRY

Domain Actions

BUILD

Cost **2000 gold**. Choose an Unlocked Infrastructure; set a **Build Timer** equal to its Build Time. Requires at least one prior-tier Infrastructure to build the next tier. Only one active Build Timer at a time.

REPAIR

Cost **2000 gold**. Choose a Damaged Specialization or Infrastructure in a Settlement you Control. Set **Repair Timer 2**. On resolve, choose: **Restore** (reactivate) or **Demolish** (free the slot).

SPECIALIZE

Cost **2000 gold**. Choose an Inactive Settlement Slot in a Settlement you Control. Pick a Specialization whose prerequisites you meet; set a **Build Timer** equal to its Build Time (standard 1; Power/Unique +1; Monument +2).

CHARTER

Cost **2000 gold**. Either **(A)** Charter a new Village on an uncontrolled or in-Province territory at Range 4+ from other Settlements and Range 2+ from Outlaw Country, **(A)** Charter a new Hamlet on a in-Province territory at Range 2 from other Capital, or **(C)** Expand a Settlement you Control by one tier into an adjacent territory.

CONDEMN: Doubt 1 + Pay Cost

ENDORSE: Recoup 2000

NOBILITY

Domain Actions

SIGN TREATY

Ask other Players to agree. Choose one agreeing Player and sign one: **Peace Treaty** (end war, Truce Timer 5), **Trade Agreement** (begin trading), **NAP** (no Declare War), or **Defensive/Military Alliance**. Endorsed: perform another Nobility action.

NEGOTIATE

Propose terms to a target Player: gold transfers, Settlement/Territory transfers, treaty changes, or non-binding Promises. Target agrees or refuses. Used in Demand Tribute and siege Negotiate. Endorsed: perform another Nobility action.

END TREATY

Choose an active treaty you signed and remove it. Does not require target's agreement. Acting on behalf of an Alliance requires all Allies agree. Endorsed: perform another Nobility action.

CONDEMN: Doubt 1 + Pay Cost

ENDORSE: Perform **Nobility** Action
